

Love Song to the Earth

[Paul McCartney](#)

This is an open letter
From you and me together
Tomorrow's in our hands now
Find the words that matter
Say them out loud
And make it better somehow

Looking down from up on the moon
It's a tiny blue marble
Who'd have thought the ground we stand on
Could be so fragile

This is a love song to the earth
You're no ordinary world
A diamond in the universe
Heaven's poetry to us
Keep it safe
Keep it safe
Keep it safe
'Cause it's our world
It's our world

It's not about possessions,
Money or religion
How many years we might live
When the only real question
That matters is still a matter of perspective

Looking down from up on the moon
You're a tiny blue marble
Who'd have thought the ground we stand on
Could be so fragile

This is a love song to the earth
You're no ordinary world
A diamond in the universe
Heaven's poetry to us
Keep it safe (Keep it safe, yeah 2x)
Keep it safe (Keep it safe, yeah)
(Keep Keep Keep it safe, yeah)
Keep it safe
Keep mama earth safe
'Cause it's our world
It's our world

Badabang bang bang bang bang

See mama earth is in a crazy mess
It's time for us to do our best
From deep sea straight up to everest
She under crazy stress
Unless you wanna be motherless
Clean heart
Green heart
Is the way I stress
Speediness and too much greediness
Six billion people all want plentiness (It's our world)

Some people think this is harmless (It's our world)
But if we continue
There'll only be emptiness

Oh no nonono

This is a love song to the earth
You're no ordinary world
A diamond in the universe
Heaven's poetry to us (Heaven's poetry to us)
Keep it safe (Keep it safe)
Keep it safe (Keep it safe)
Keep it safe
(Special paradise)

Let's keep it safe

This is a love song to the earth
You're no ordinary world
A diamond in the universe
Heaven's poetry to us
Keep it safe
Keep it safe
Keep it safe
It's our world
Keep it safe
It's our world
It's our world
It's our world
'Cause it's our world
